Attention All D.J's

The limiter meter is sticking. However, it is not broken - it just sticks because of all the static electricity in the air. Please tap it gently on the glass to get it to work.

Thanks,

Ann

In answer to my appeal to D.J's to help w/ the WMHC ascertainment, two people showed up - myself and one other director. The directors are not responsible for doing everything around here. If this is all the interest that the D.J's have in getting a 100 watt license for WMHC ---- GOOD LUCK! I've done more than my part; and I refuse to put forth any more time and effort. If anyone is interested in doing the ascertainment call me at x2458 and I'll be glad to give you all the necessary information. Don't complain to me when Mount Holyoke no longer has a radio station.

If you feel slighted or offended by this ask yourself "what have you done for WMHC?" Why weren't you at the meeting? Please feel free to comment, but don't waste the paper if you're not willing to sign it!

Sincerely,

Ann X. Messersmith
Station manager WMHC

You're the one who wanted to be station manager

P.S. I'll be available at the following times & only the following times. I'll either be at the station or at x2458

Dear Ann,

About your note on the first page - I don't think anyone knew about the meeting. I didn't, nor did three other DJ's I asked. Please call another meeting. Or if you want someone else to help, pass out notes, or do anything, please call me. X2194.

Attention all D.J's

There will be a compulsory meeting for all D.J on Thurs night at 7:30 PM in room 220 ~~&~~ in Clapp. Your stations future, & security, will be discussed. Also the directors and D.J responsibilities will be discussed. Attendance is mandatory & will be taken - SO be there!!! (April 5)

WMHC should mean more to you than any of the excuses you might come up with to miss the meeting. station interest must increase so that we can improve & grow. Next year WMHC will mean more (to the D.J's) than a 2hr show once a week!!!

Captain's Log, Stardate 32679, Space Patrol Starship WMHC
Captain Conceptual recording

There's been no action for some time, with reason. The miracle man himself, General Elvis Costello, had been charged with conspiracy to betray Oliver's Army to the Disco Empire! I myself had been watching the detectives find a document, signed by General Costello, that apparently proved his [redacted] guilt. The goon squad arrested him forthwith. Court-martial was set for Stardate 32179, but we all knew what the verdict would be.

As Abstract and I left on a routine patrol mission, a small one-man spaceship (this year's model, too) approached and called us. "My name is Alison," the pilot told us, "and I need your help. Elvis is being framed! That evidence on him is worth less than zero. It's fake!"

I replied, "I'd like that to be true. General Costello has been one of our best men since he served in the Senior Service. But can you be sure?"

"I can! That document was forged by busy bodies from the MOR Alliance. Those two little Hitlers, Streisand and Manilow, are responsible!"

"I'll believe that," Abstract said, "the MOR big boys would love to see Costello hang. Have you proof?"

"I do."

"Then," I said, "hesitating would be like waiting for the end of the world. Get to the reactor, Abstract, and pump it up; the Beat is with us, and we're on our way!"

Within minutes we were back at headquarters. The verdict was about to be read when the three of us burst in. After the initial confusion died down, Alison gave her testimony. Soon the jury delivered a new verdict - "not guilty!"

We were ecstatic. I approached the much-relieved General Costello and asked him how he felt about being on trial for his life. "I'm not angry," he said, 'accidents will happen. But I am going to pay it back to the MORons!" Both Elvis Costello and the Federation were exonerated. A short while later, the General and his [redacted] girl were seen walking away, hand in hand.

Dear Ann, (or whoever)

Could you make an alternate time for that meeting for those who can't make it – or let me know what's up? I have required course meetings 3 nights a week for a course.

Julie Brown

PLEASE! Talk up Women's Weekend at MHC (April 6-8) and its numerous individual activities. Make lots of announcements. You'll find a complete program in the "calendar" pocket of the CA notebook.

Thanks. Deb. + 9 Cont.

Dear Ann -
Julie Brown has a good suggestion. I have Glee Club on Tuesdays 7:15 - 9:30.

Daryn Doak

Whoever took The Tom Amnatrading albums - 2 — to be exact
please return them or file them correctly! Check rock

Dear Ann - I too have a class tonight from 7 to 9 and so will not be able to attend the meeting.

Deb.

Attention ALL DJ's who work on Friday, Saturday, or Sunday, April 6-8=

This is Women's Weekend at MHC. There will be workshops and discussions and lectures, etc. all weekend long, mostly concentrated in this building. Please play Women's Music (which is shelved under the singles) as much as you can (get to know it!) and women vocalists from the other sections. This will be very nice for people in the community as well as the people milling around in Wilbur between sets.

Also make LOTS of announcements about the weekend's events. Schedule is in the calendar pocket of CA notebook.

Thank you very much —

Deb. Gaidner
+ Q Center

I have just discovered that the Teresa Trull disk is missing from its jacket. Where the hell is the record? She is here in concert this Friday night and it would have been nice if I could have featured her album in my shows this morning. PLEASE RETURN IT! Thanks.

Could someone sub for me Friday, April 20 from 10 am to 12 noon? I'd really appreciate it.

Thanx, Daryn

Yea !! I see that old Rampal album has magically reappeared !
3 cheers to the one who returned or reshelved it.
Next, I'ld like to see the Bolling / Rampal album ... if it ever comes.

Lisa Krupinsky: Please find Program Log for april 12 and sign off.
Thanks.

Something is wrong with Turntable 1.
It's not playing at the proper speed so things sound really draggy and warped.
Most noticeable on slower instrumentals.

Deb.

Can someone sub for me for Friday night, April 20th 8-11 pm. It's party music. (a great time!)

Call Liz Stefanowicz & Cynthia Marshall and demand that they come in, if they haven't shown by 6:45.

PSA's such as J-4 should have a prefix saying that they are an opinion - and a tag "this does not necessarily reflect the opinion of the management or staff of this station" - I agree with Winter. It may be right - but there is the question of freedom of choice! Betsy S.

LONG-AWAITED COMMUNICATION FROM SUNHILLOW:

WELCOME BACK, MY FRIENDS. WE OF SUNHILLOW HAVE BEEN RELATIVELY SILENT THESE PAST FEW WEEKS, AND WITH GOOD REASON: WE'VE BEEN AWAY ON OUR ANNUAL PILGRIMAGE TO THE SHRINE OF STEELEYE TO VISIT HER REGAL HIGHNESS, QUEEN MADELIENE (MADDY TO YOU). SHE HAS LONG BEEN AN INSPIRATION TO US ALL, AND IT IS ONLY APPROPRIATE THAT WE VISIT HER TO RENEW OUR DEVOTIONS.

UPON OUR ARRIVAL IN ENGLAND, WE WERE MET WITH A SPLENDID DISPLAY OF [redacted] PAGEANTRY. WE HAD HEARD RUMOURS OF ANARCHY IN THE U.K., AND HAD EXPECTED TO BE MET BY HOSTILE ARMED FORCES. THE SCENE, HOWEVER, WAS VERY WELCOME TO US. THE SOUND OF BRITISH R'N'R, DIRECT FROM THE SOURCE, FILLED THE AIR. EVEN THE LOCAL POLICE FORCE HAD TAKEN OFF THEIR UNIFORMS AND SANG TO A FRIEND OF THEIRS ("I BELIEVE HER NAME WAS "ROXANNE" OR SOMETHING LIKE THAT).

WE HAD ATTEMPTED TO JOIN THE PARTY, BUT INSTEAD WERE MET BY SIR SPAN, OUR ESCORT FOR THIS MISSION. "THERE IS NO TIME FOR SUCH DIVERSIONS", HE SAID, "QUEEN MADELIENE AWAITS YOU". IT WAS THEN THAT I REALIZED THAT I WAS HARDLY DRESSED FOR SUCH A MEETING. MY JEANS WERE FADING, AND MY RAMONES T-SHIRT HAD A RIPPED SLEEVE. IN AN ATTEMPT TO MAKE MYSELF MORE PRESENTABLE, I PULLED SOME FOILAGE FROM THE TREES AND ARRANGED IT, ALL AROUND MY HAT.

WE WERE THEN ESCORTED TO QUEEN MADDY'S CASTLE. WE BOARDED THE ROYAL ROCKET COTTAGE AND MADE THE VOYAGE TO HER DWELLING. "WE HAVE ARRIVED, AND LIVE AT LAST", I EXCLAIMED. "PLEASE TO SEE THE QUEEN!"

AFTER OUR ARRIVAL, QUEEN MADELEINE CAME TO US, BORNE BY A TEAM OF HEAVY HORSES. HER COSTUME WAS ELABORATE, BUT THE ELEGANT TONES OF HER VOICE WERE UNMISTAKABLE. "YOU HAVE DONE WELL, SIR OLIAS", SHE SAID. "YOU HAVE STEADFASTLY CONTINUED TO PROMOTE THE CAUSE OF BRITISH MUSIC, EVEN WHEN YOU ARE

cont'd.:

REWARDED ONLY BY REQUESTS FOR BARRY MANILOW. BUT I HEAR MUSIC BEGINNING - PLEACE COME AND DANCE WITH ME!!

WHAT FOLLOWED WAS A UNIQUE CULTURAL EXCHANGE - QUEEN MADELIENE TAUGHT US TO JIG, WHILE WE TAUGHT HER TO POGO. NEEDLESS TO SAY, A WONDERFUL TIME WAS HAD BY ALL. THUS, PROVIDED WITH NEW INSPIRATION, WE RETURNED TO STARSHIP WMHC. ROLL BRITANNIA!

OLIAS— WHAT'S WRONG WITH BARRY MANILOW?
